

## Being Caribou

1. Where do the Porcupine herd of caribou live?
2. What predators and threats does porcupine herd face?
3. What is important, to the Caribou, about where the US government wants to drill for oil?
4. What precautions did Leanne and Karsten take in the caribou calving grounds in order not to disturb the caribou?
5. How do you think drilling for oil would affect the caribou?

6. Why do you think Leanne and Karsten take George Bush along for their journey?

7. What animals did you see in the Yukon and Alaska? (A prize for the group that correctly names the most.)

8. What was the most interesting thing you observed about the caribou?

9. What did you find most interesting about Leanne and Karsten's trip?
